RECESSED LIGHTS

LumiSlim Light Module

\$55.95

DESCRIPTION

The LumiSlim Standard White is our flagship model, featuring a sleek white trim that blends seamlessly with any ceiling. With its revolutionary TRIMLESS MUD IN 1/2" mounting depth, you can install this fixture anywhere—no structural limitations. The warm 2700K-5000k selectable color temperature creates an inviting atmosphere perfect for living spaces, kitchens, and bedrooms.

SPECIFICATIONS

CRI	90+
Depth	0.5 inches
Lumens	870
Wattage	10.5W
Diameter	4 inches
Color Temperature	Selectable 2700k/3000k/3500k/4000k/5000k

AVAILABLE OPTIONS

	Matte White	\$55.95
	Matte Black	\$55.95
	Bronze	\$55.95
	Iridium Gold	\$55.95
	Iron Grey	\$55.95

MOUNTING OPTIONS

LumiSlim Wood Mount

\$10.95

DESCRIPTION

The LumiSlim Wood Mount allows you to install LumiSlim in surfaces other than drywall. It works with wood, metal, and plastic substrates, giving you more flexibility for different installation types. A LumiSlim-specific hole saw is required for proper installation. Glue in mounting recommended, 22g pin nails optional.

SPECIFICATIONS

Adhesive	CA glue or suitable adhesive (must be precisely glued into substrate)
Install Difficulty	7/10 — requires a technically inclined, detail-oriented person for clean installation
Outside Dimensions	4-1/4" nominal

AVAILABLE OPTIONS

	Matte Black	\$10.95
	White	\$10.95
	Bronze	\$10.95

MOUNTING OPTIONS

LumiSlim Retrofit Ring

\$12.95

DESCRIPTION

This retrofit ring is designed for remodel installations of 4" LumiSlim trimless recessed LED fixtures, allowing seamless integration into existing ceiling openings. Whether you're upgrading older lighting or replacing standard cans, this ring provides a clean, secure mount for trimless LED fixtures without the need for structural changes.

Fits existing holes from 6.5" to 7"

MOUNTING OPTIONS

LumiSlim Mud Ring

\$10.95

DESCRIPTION

This precision-fit mud ring is designed to support seamless installation of LumiSlim trimless recessed LED fixtures. Its perforated design allows for secure bonding with drywall compound, enabling a flush, trimless finish in 1/2" drywall. Whether you're working on new construction or a retrofit, this accessory ensures a clean, professional result with no visible trim or flange.

ACCESSORIES

LumiSlim Bath Fan Accessory

\$125.00

DESCRIPTION

This mud-in bathroom fan accessory is designed to integrate flawlessly with LumiSlim trimless recessed LED fixtures, creating a unified, low-profile ceiling aesthetic. The perforated edge allows the fan housing to bond directly with drywall compound, eliminating visible trim and preserving the clean architectural lines of your space.

Perfect for modern bathrooms and spa-inspired interiors, this accessory provides quiet, efficient ventilation while maintaining the sleek finish of your lighting layout. The light fixture is sold separately.

ACCESSORIES
